## THROUGH THE YEARS

NINETEEN EIGHTY EIGHT

Digitized by the Internet Archive in 2021 with funding from Boston Public Library

If you can learn to live your life serenely, responding equally to ups and downs, If you can do the things that come routinely and bring a cheerfulness to daily rounds ...

If you can be ambitious, yet remember to stand by all the things you know are right, If you can bring May's freshness to December and know that sunrise follows after night ...

If you can see beyond life's decorations to values that are lasting, good, and true, If you can welcome change and innovation, Yet not forget to give the past its due . . .

If you can be considerate and giving, bringing others joy along the way, If you can sense the miracle of living and recognize the beauty in each day ....

If you can try - and have the peace of knowing your efforts count, no matter what occurs, If you can keep on learning, caring, growing, then happiness will certainly be yours!

Michael Canale

YOUR STRONG EFFORTS AND ACCOMPLISHMENTS HAVE MADE YOU COME A LONG WAY WE'RE PROUD OF YOU!

## In Appreciation ...

## Mrs. Jane Phillips

Mrs. Phillips has been a dedicated member of Abington High School for the past seventeen years. During her years at Abington High, she has served as the Advisor for the National Honor Society. Whether it was a passing smile in the hallway or extra help after school, Mrs. Phillips is always willing to help those students in need. Mrs. Phillips is truly the best kind of teacher there is. The Class of 1988 would like to extend their appreciation for all her help, kindness, and friendship during their four years at Abington High School.

## Editor's Message

Dear Classmates,

We, the editors of this yearbook, have tried to create a book which contains many special memories of the four years you spent at Abington High School. Although this yearbook has come out later than usual, it has enabled us to include a two-page spread on graduation, one of the most important days of your life.

In closing, we wish you the best of luck in the future, and may you look back on this book with pride "As The Years Go By."

Connie and Carolyn

As many of the students that had entered Abington High School before us, we were very apprehensive about being Freshmen in the fall of 1984. Many believed that being in high school would give us that adult status we wanted so badly. Our expectations were huge and we were eager to ''fit-in''. We depended on our class officers, Mike Lambert, Julie Bates, Keri Green and Mary Beth Graham to guide us through all the events, such as rallies and fundraisers, that were so new to us. Freshmen year was particularly eventful in sports- our Soccer, Hockey, Softball, and Baseball teams all qualified for the State Tournament. The band continued to make AHS proud by attending a competition in Toronto to showcase their talent.

As the first year of high school ended, we felt a little more confident about ourselves and more comfortable about our role at Abington High.

## Sophomore Year

Many of us felt more comfortable being Sophomores because at least we no longer had the stigma of being Freshmen. Jim Clarkson, Keri Green, MaryBeth Graham and Susan Burke were elected as our class officers for this transition year. They and many others conspired with Mr. Corcoran to ruin our diets by selling M&M's, Reeses, and KitKat's. Hurricane Gloria provided a week's vacation in October but was also responsible for the fact that school ended in late, late June! Once again, the Green Wave teams gave us a lot to cheer about. The girl's Soccer team won its first S.S. League title, both the Hockey and Girl's Basketball teams qualified for the State Tournament and Softball also earned a S.S. League title. With another year of experiences under our belts we were looking forward to being upperclassmen.

# President's Message

As I reviewed in my mind the four years spent in Abington High School with the class of 1988, I thought of the many joyous and happy times we all experienced. Our atheltic teams achieved many goals, and I am very pleased with the accomplishment in the area of art and music.

It saddens me when I realize that through the years our class has become divided. One of my ambitions upon becoming president was to do everything in my power to bring the class together. It is disappointing to me that more progress was not made to this end. I hope we all have come to realize how much we lost because of our separation. Perhaps we may benefit from this in our lives. Keep an open mind towards others-give them a fair chance before making any judgements.

I know every one of you can accomplish the goals that you have set. You are all very special people. Make the best of what you have. Go for it! I know that you will succeed!

Sincerely yours, Kendra Johnson

TRI-CAPTAINS
Bryan Cox, Bob Wilson, Chris Cahill

The 1987 Green Wave football team, led by tricaptains Bob Wilson, Chris Cahill, and MVP Bryan Cox, had their best season since 1984. The Green Wave was also headed by seniors Scott Morley, Ned Corcoran, Paul Colburn, Tom Graham, Bill Trenholm, Bob Gadbois, John Henault, Jim O'Brien, and Steve Donnelly.

With a talented nucleus of players returning, including South Shore Leage defensive all-star John Graham, Coach Kelliher is expecting another strong season in 1988.

Tri-captains of the Abington Field Hockey team were seniors Donna DeMille, Marybeth Graham, and Terri Ransom. Terri had a phenomenal season in goal with over 600 saves. Defense was led by halfback Erin Lydon and sweeper Marybeth Graham. Cheryl Miller demonstrated her numerous skills as an inner on the offensive line. Cheryl and Terri were chosen as South Shore All-Stars. Good luck to next year's team!

The Abington High School Band saw many changes between the years of 1984 and 1988. The hard work of Mr. Paul Smith, the music staff, and the band members, as well as the special bond which existed between Mr. Smith and his students, led to many successful performances. Drum majors Kenny Colburn, Eric North, and Donna Whiting led the band in 1984-1985 season, which included a trip to Toronto, Canada. The 1985-1986 season, with Jennifer Greene and Caroline Campbell as drum majors, was a time of uncertainty and unhappiness as everyone's hearts went out to Mr. Smith. The death of this phenomenal man was followed by a season of difficult times, however it was also a time of realizing the tremendous value of Mr. Smith's accomplishments. The band traveled to Washington D.C., with drum majors Scott Ambrose, Claire Morgan, Peter Holmes, and Julie Bates. It was the hard work and patience of the music staff which kept the program going that year. A new era began for the AHS Band in the 1987-1988 season. As director, Mr. Michael Smith combined his new invigorating ideas with the ideas of his father. Julie Bates and Scott Furlong worked under him as drum majors. Through the dedication of the Paul K. Smith Music Room, a trip to New York City in which the band placed first, and a strong emphasis on improving individual musicianship, Mr. Michael Smith has brought a special energy to the music program. Through the years, the band has always displayed character with its complex field shows, high music scores, and nearly perfect diagonals. Musicians are often thought of as a certain breed of people, which may be due to their creativity and dedication.

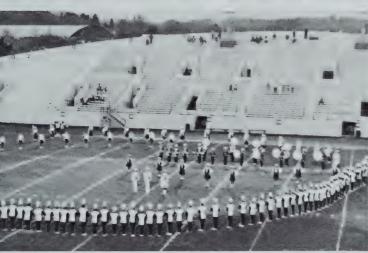

### BOYS' SOCCER

Coach Corcoran was always hoping to make the soccer tournament. In the spring of 1988, the soccer team had a record of 7-8-1 which was not a good enough record for the tourney. Later that spring it was revealed that Norwell had to forfeit its games which then gave Abington a 9-6-1 record. This record was good enough for the tourney but unfortunately was too late.

The highlights included winning the Rockland Christmas Tournament for the first time in Abington history and proceeding to defeat our arch-rivals, Rockland and Whiteman-Hanson, twice during the regular season. The best game of the year was the defeat of tournament-bound Hull at our home court. Throughout the year the Abington Green Wave was led by senior captain Jim Clarkson, Paul Keenan and Junior, Brian Snow. All members of the team made crucial contributions when necessary throughout the season. The graduating seniors wish the remaining players a successful and enjoyable 1988 season.

# Girl's Basketball

The Girl's Basketball team was led by seniors Cheryl Miller, Jill Murphy, and Sheila Reilly. Although the 1987-88 season wasn't the greatest for the team, they never lost a game without a strong effort. Most of the games that they lost were close, especially the games against Sandwich. They also finished second in the Rockland Christmas Tournament, after defeating the Whitman-Hanson team.

Their few, but supportive fans were very much appreciated; they helped motivate the team. The team's outstanding characteristics included; rebounding, foul shooting and fast breaking.

Good luck to next year's team!

# Hockey

The hockey team had an off year compared to the past few years, but under first year coaches Andy Marhoffer and Frank Duncan, they did so much better than expected; led by co-captains Brian Miller and Mike DeMarco, and returning seniors Tom Voislow, Mike Lambert, Kirk Douglas, Rob Thomsan, Mike Ryan, Ned Corcoran, Mike O'Shaughnessy, and Chris Cahill. The team compiled a 7-11 record but lost five games by one goal, including a heartbreaking 2-1 loss to Canton, in the Canton Christmas Tournament Final.

Next year's team is looking to be challenging again, with more coaching experience and some strong returning players.

The Green Wave has a strong nucleus for the 1988 season, as only four members graduated. The infield will be anchored by seniors Julie Bates, Cheryl Miller, and Terry Ransom, while the outfield will consist of seniors Lynne Burbine and Amy Brown, and junior Lisa Gomes. Junior Karen Disharoon will assume the pitching duties. The members of the 1988 team expect to be a strong contender for the South Shore League small school championship.

# Baseball

The 1988 Abington Green Wave baseball team is expected to make the state tournament for only the second time in twenty years. Presently the team has a record of 11-2 and is in first place in the S.S.L. The team is led by cocaptains Jim Clarkson and Tom Graham. The pitching staff consisted of seniors Neil Murphy and Jim Clarkson. Highlights of the season included two victories over rival Rockland and league foe East Bridgewater in extra innings. Every game seemed to have a new hero- Mike Ryan was strong at the plate, Bob Wilson had many key plays at first base, Dave Spitz was a valuable utility man and Chris Cahill was a solid outfielder. Coach Graham is pleased to see how well this team works together and hopes this year's team signifies a prosperous future in boys' baseball.

# Boys' Track

For the past four years, the boys' track team has always been competitive but they never won first place in the South Shore Small School Division. Each year the team saw a different coach. The team will lose many graduating seniors next year.

# Girl's Track

The 1988 Girls' Track Team may have been weak in numbers, but was definitely not lacking in effort. With two weeks left in the track season, they had captured only one victory, but a great one, over Hull. The team was led by seniors Aileen Cashman, Jennifer McCarthy, and Jill Murphy. They contributed four years to the track team. Good luck to next year's team!
